

Information about the speakers

Speaker Dipl. Ing. Kathrin Specht

Vita Kathrin Specht holds an MSc in Landscape Architecture and Planning

from the University of Natural Resources and Applied Life Sciences (BOKU) in Vienna (Austria). Since 2008 she is working at the Leibniz Centre for Agricultural Landscape Research (ZALF), Institute of Socio-Economics. Her research interest lies in social acceptability and perceptions of innovations in the field of agriculture. Her topical focus is on social and technological innovations in food production with a focus on zero- acreage farming, urban agriculture and new consumer-producer relationships. She worked on the topic of sustainable food

production in Germany, India, Italy and the U.S.
